

Gloucester Primary Schools' FA Covid-19 and Other Protocols

GPSFA; Longlevens Junior School, Church Road, Longlevens, Gloucester; GL2-0UF

We want all GPSFA matches and events to take place in a safe and friendly environment. It is imperative therefore that everyone who attends games at Longlevens Junior School follows all protocols, both Covid-related and otherwise, to allow this to happen. Thank-you in advance for your cooperation.

Spectators (1)	All players & supporters need to be registered to support NHS Track & Trace. Please complete the register before arriving at the ground.
Spectators (2)	Please remain in your team's designated spectator area and observe social distancing directives at all times while watching the game. The Adventure Playground and Forest Schools area are both strictly out of bounds.
Car Parking	Parking is on the school playground next to the pitches. Please do not park at the side of the entrance road or in the library spaces.
Toilets	These are situated in the pavilion and will operate on a one-in, one-out basis in the gents and a one-in, one-out basis in the ladies. Automatic hand sanitizers and hand dryers / paper towels are available in both. Please observe social distancing directives if queuing.
Refreshments (1)	Refreshments and match programmes are available from the pavilion hatch. Please observe social distancing directives when queuing. Please sanitize your hands before eating/drinking.
Refreshments (2)	We currently don't have contactless payment available, so we will need to deal in cash. Everything is either whole pounds or 50ps.
Photographs	Available just inside the main pavilion entrance. Please observe social distancing directives when queuing.
Player Refreshments	The eating room is closed, so post-match refreshments will need to be eaten outside or in cars. The shop will close while the players are being served.
Changing Rooms	These are available if required, but no more than 4 players inside at any one time.
Other	Smoking (including vaping), alcohol and dogs are not permitted anywhere in the school grounds. Anyone needing to smoke should do so away from the school premises.
All Adults	The most important things we, as adults do, is set the example. Let's make sure it's a good one.
